

Dear Southern Region CIF Sections,

The SCGA is proud to be affiliated with the CIF Southern Regional Boys High School Golf Championship and is also pleased to support the efforts of local high school golf programs. With that said, we would like to strengthen our relationship with your sections and formalize the aspects of our sponsorship. Over the course of the year, we estimate that we provide approximately \$10,000 in funding to your golf programs through sponsorship of the tournament (~\$8,500), donations of rule books, and donations of SCGA memberships for local golf teams. In addition, we devote a significant amount of resources to the organization and operation of the tournament. We are enthusiastic about supporting the golf programs and would like to put together a meeting to discuss how we might be able to further improve our partnership. Perhaps the day before or the day of the Southern Regional would be a good time to meet if you or someone from your staff will be attending that event. Our goal would be to have a formal agreement for future tournaments as well as discussing other opportunities such as handicap indexes for golf teams.

In addition, I want to thank those of you who have already helped us spread the word about our upcoming Junior Golf Summits and reiterate my request for support of this event. If you can send out an email to your coaches and post this event on your website (if you have not already), it would be very much appreciated. These summits feature outstanding speakers and are a great way for high school golfers to learn about all of the different opportunities to continue in the game. You can read more at [www.scgafoundation.org/summits.html](http://www.scgafoundation.org/summits.html) and I have attached a flyer with additional information. I would also welcome your attendance.

Thanks again,

**Kevin Gigax**
