Scores Posted Report for Dates 3/1/2010 - 4/20/2010

How to Read the Report

> The list is sorted by school code and then by the players first name. If you do not see the correct school code or if the code is missing please contact Fran at the SCGA as soon as possible, free@scga.org.

> Each score represents **two** 9 hole scores which were posted via the internet. The score listed is the combined score of the two 9 hole games. The course rating is the addition of the two 9 hole ratings. The Slope rating is the average of the two 9 hole ratings.

> The date of the round is the second date of the two 9 hole scores that were combined. The course played lists where the two combined rounds were played.
