Regulation CIFSDS Bylaws Article VII.1

A. Entry Format

1. Schools will be placed into playoff divisions according to enrollment. The October CBED enrollment, grades 9-12, of the previous school year will be used. If a school incurs a gain/loss on enrollment of a minimum of fifteen (15) percent in the current year, the current year CBEDS enrollment figures shall be used instead of the prior year's.
2. The number of San Diego Section divisions for sports are determined by the Board of Managers and published in the preseason bulletin.
3. The Coordinating Council's Playoff Committee will determine the break point between enrollment divisions not already mandated by the State CIF after input from advisory committees and leagues/conferences.
4. The maximum number of schools participating in each enrollment division for each sport will be determined according to the following format:
 - a. Football, basketball, and girls' volleyball - two-thirds of the total number of schools in the division concerned.
 - b. All other team sports - one-half of the total number of schools in the division concerned. The specific number of schools participating will be determined by rounding up to the closest multiple of four; e.g., in divisions where the 50 percent calculations permits 9, 10, or 11 teams to enter, 12 teams will be selected for the playoffs.
 - c. The maximum number of teams in any division is 16; the minimum is 4.
5. League champions (not co-champions or tri-champions) are automatic qualifiers and will be guaranteed placement in the playoffs if requested and all appropriate entry information is submitted timely to the pairings committee for consideration. In case of a tie for first place, the league is to designate its automatic qualifier. League champions will have a first-round home game (in a sixteen team bracket only) unless playing another league champion with a higher seed. This accommodation does not apply to playoffs that begin with the quarterfinal round.
6. Independent schools are not eligible for CIFSDS playoff participation. *(Revised June 3, 2008, Board of Managers)*

B. At-Large Criteria

1. Team

The following criteria (in no particular order and with no relative weight or priority) are to be used by the Commissioner, Assistant Commissioner, or designee (after input from the appropriate sport advisory committee) in the selection of at-large teams.

- a. Head-to-head competition.
- b. League and season record. (Note: There is no requirement that in order for a team to be selected for an at-large berth that all teams in the league concerned finishing ahead of that team in league standings must already have been selected. Note 2: Alumni games are not to be included in team records for seeding purposes).
- c. Common opponents (win, tie, or loss only--margin not to be considered).
- d. Strength of schedule.
- e. Strength of team at end of season.

Note: There shall be no appeal from the decision of the Commissioner, or Assistant Commissioner, or their designee.

2. Individual

- a. Individuals from schools without teams are also eligible for playoff consideration if they have administrative approval and supervision from their respective schools.
- b. Individuals may be advanced to section playoffs from league final competition.
- c. Criteria for selection of at-large individuals and selection process are the same as for teams.
- d. An athlete must have participated for his/her school of enrollment in more than one-half (1/2) of the CIFSDS permissible maximum individual points of the sport in order to participate in the CIFSDS championship tournament.

C. Team Seeding

1. The Commissioner or designee shall seed teams in CIFSDS dual team playoffs with recommendations from a committee that does not include active coaches and is representative of the sport and the conferences participating in that sport. Seeding will be conducted in all divisions of all team sport playoffs. There shall be no appeal from the decisions of the Commissioner, or designee. *(Approved June 7, 2006, Board of Managers)*.
2. A playoff bulletin will provide details regarding seeding for each team sport.

D. Pass List For Team Sports

The visiting school will fax a pass list for all rounds to the home school and to the CIFSDS Office. Pass list limits: football = 25; basketball = 20; and all other identified sports (see playoff bulletins) = 10. *(Approved June 17, 2003, Board of Managers)*

E. Tickets

When the home site school hosts a playoff event, the host school's tickets will be used. Accountability for ticket use will be reported to the CIFSDS office on the CIFSDS issued recap sheet. CIFSDS tickets will be used when CIFSDS hosts the playoff events. *(Approved June 17, 2003, Board of Managers)* Proceeds from ticket sales forwarded to the CIFSDS must be by school- or district-issued check. No personal checks or checks from club organizations will be accepted. Member schools participating in the CIFSDS playoffs must sell admission tickets to all rounds in which they compete and host. If a member school fails to sell admission tickets for the games they host, the school may not declare any expense reimbursement from the CIFSDS and must pay to the CIFSDS the average gross revenue for admission tickets sold the preceding school year for that round in the sport in which they participate in the playoffs. Failure to pay that amount to the CIFSDS will result in the exclusion from playoff participation until such amount with interest at the legal rate is paid to the CIFSDS.

F. Ticket Prices

There are two playoff ticket price ranges: Adult and Student/Senior: Adult is defined as anyone over age 18; Student is defined as anyone age 5 through age 18; Senior is defined as anyone over age 60. Children under age 5 are admitted free of charge. *(Approved June 17, 2003, Board of Managers)*. See Appendix III for Playoff Ticket prices. An additional \$1.00 facility fee may be charged at certain venues.

G. Rebates

Permission must be obtained from the CIFSDS office for pre-game ticket sales. There shall be a rebate of \$1 for each adult ticket sold and \$0.50 for each student/child ticket sold. *(Approved June 17, 2003, Board of Managers)*

H. Awards

Appropriate trophies shall be awarded by the San Diego Section to team champions and runners-up in all designated team sports. In case of a tie, duplicate awards will be presented. It is the policy of the CIFSDS that coaches will teach those values and lead by example.

Regulation CIFSDS Bylaws Article X.1

NO CONTACT PERIOD

It is the policy of the CIFSDS that participation in high school sports is an educational experience and that participation should not interfere with either the orderly operation of the school or become more important than academic achievement, or interfere with a student-athlete's ability to enjoy time away from school or the sport. The CIFSDS no contact policy is not designed to prevent student-athletes from participating voluntarily in events, but is designed to ensure that CIFSDS coaches do not intrude on or consume all of a student-athletes free time.

Special Note: The San Diego Section Commissioner may grant an exception to the section-wide summer no-contact period when requested by the school principal for special circumstance. If granted, the alternate no-contact period will be 14 consecutive days, beginning on the last Saturday in June. The principal must submit all requests in writing prior to April 1. A. INCLEMENT WEATHER

1. The decision on whether to COMMENCE a contest will be that of the home school coach.
2. The decision on whether to TERMINATE a contest in progress will be that of the head official. (NOTE: It would be assumed that, in most cases, the official would agree with any unanimous recommendation of the competing coaches.)

MEMBERSHIP AND APPLICATIONS FOR MEMBERSHIP

It is the policy of the CIFSDS that requests for membership shall be approved by the Board of Managers at a regularly scheduled meeting only after the application has been reviewed by all conferences, the Coordinating Council, and the Board of Managers as a first reading and then as an action item. Athletic participation and programs are an extracurricular activity of a school that must benefit not only the participants but all members of the school's student body and focused to improve academic achievement and to teach the values of citizenship as a contributing member in society.

Regulation XVI.1 Procedure for Membership Application in the CIFSDS

XVI.1(A) Application Process. Schools seeking membership in the CIFSDS must first meet with the CIFSDS to discuss membership requirements and expectations; the school's program philosophy; CIF and CIFSDS expectations; and to request a membership application.

Schools requesting membership in the CIFSDS must then complete a membership application; host a site visit from the playoff and leaguage committees to review facilities; offer one sport for each gender in each season plus one additional sport for each gender; develop and present their plan for expanding the athletic program offerings; participate as a member in the Frontier Conference (unless school is a new school within a school district that competes in conference) for at least three years and be prepared to join and participate in another conference at the end of that three year period or to terminate membership in the CIFSDS.

Membership applications must be submitted no later than January 1 for membership during the next school year. School's approved membership will begin July 1. There are no provisions to allow for immediate membership, or for membership that begins during a school year. Applications received after January 1 will be held for consideration beginning at the fall meeting in September with membership to begin the following July 1. There are no exceptions to this process. (*Approved Board of Managers, June 9, 2009*)

XVI.1(B) Probationary Membership Status. Approved membership will be for three (3) years and only on a probationary status. During that probationary period, School is required to comply with all rules, regulations, requirements, policies, procedures, and bylaws of the State CIF, CIFSDS, conference, district, and any other governing agency or Education Code provisions.

A failure to comply during the first year of membership will result in a termination of school's membership; a failure to comply during the second or third year of probationary membership may result in the termination of school's membership in accordance with the penalty provisions of Article IV of the CIFSDS Bylaws.

Probationary status may be extended for a period of time determined by the commissioner as a condition to continued membership for those schools who failed to comply with any and all rules, regulations, requirements, policies, procedures, and bylaws of the State CIF, CIFSDS, conference, district, and any other governing agency or Education Code provisions during the probationary period.

Following satisfaction of probationary membership, School will become a member in good standing in the CIFSDS year to year subject to conditions for continuing membership.

XVI.1(C) Conditional Membership Status. After completing probationary status and becoming a member in good standing of the CIFSDS, a school's continuing membership status may become Conditional. Conditional Membership may be imposed by the commissioner for a school's failure to comply with any rules, regulations, requirements, policies, procedures, and bylaws of the State CIF, CIFSDS, conference, district, and any other governing agency or Education Code provisions.

Conditions to membership include, but are not limited to, disqualification from participation in CIFSDS championships for teams or athletic program; reduction of permissible contests for teams or athletic programs; loss of ability to host or participate in tournaments; loss of ability to host CIFSDS events as a home school; or monetary sanctions.

Conditional membership may be for a period of time as determined by the commissioner and may be for the school, the entire athletic program, or a specific program in the athletic program.

22.1(D) Continuing Membership. Membership in the CIFSDS is year to year. Before August 1 each year each public school district or governing board of each private school member must complete and file the “California Interscholastic Federation – San Diego Section Request for Continuing Membership and Agreement to Conditions for Membership” with the CIFSDS Board of Managers. (*Approved Board of Mangers, April 2007*)

Failure to request continuing membership will immediately terminate membership in the CIFSDS and the school’s ability to complete in interscholastic competition. Filing a request for continuing membership is not a guarantee that membership will be granted.

Membership is subject to review, change, or termination at all times.

XVI .1(E) Appeal of Extended Probation or Conditional Membership. Appeal of a commissioner’s decision will be in accordance with CIFSDS Policy 1101.
