

# 8th Annual Southern California Junior Golf Summits

### *The best information on college golf opportunities...*

The SCGA Foundation is pleased to invite you to the 2010 Southern California Junior Golf Summits. These events feature many great speakers and focus on making players aware of current playing opportunities, college playing opportunities, and more. In its 8th year, the summits can help juniors and parents answer many questions about what to look for when considering college golf options. The summits are open to all ages, but may best benefit juniors from 9th-11th grade.

There is a registration fee of \$8.00 per person to attend, which includes a subscription to the *Ping Road to College Golf* for each registration. This guide is one of the best available resources for college golf and retails for \$20. If the fee is a concern to you, please contact Kevin Gigax at [kgigax@scga.org](mailto:kgigax@scga.org).
