dackerman@sdcoe.net

CIFSDS has selected iBN Sports www.ibnsports.com as the official broadcaster for CIFSDS on Internet broadcasts of high school championship events.

This multi-year agreement leverages iBN's production and broadcast capabilities to promote high school athletics here in San Diego, and they are the priority broadcaster of all championship events.

Look for more information on this partnership in the days to come. Meanwhile check out last Thursdays broadcast of the Oceanside vs. Servite football game on the Web site under DEMAND.
