- **State CIF Governance Task Force** Tom McCoy  
This is the third year of the Governance Task Force; at least one more meeting will be held to determine the continuation/direction of the group. The task force determined a need to better understand the diversity of the sections. Rules in each section are different; rules books (bylaws) in each section are different. An effort will be made to have consistency of rules and rules books. A recommendation is before this body (action item #8.03) to create a common calendar (start dates, number of practices; total number of games) to level the playing field for sports culminating in State CIF playoff games. How CIF is perceived by parents/community is a concern. There is a plan for CIF public service announcements during televised athletic events. CIF is up for reauthorization by the State Legislature in January 2011; a legislator is needed to present the authorization bill. There has been long-term,

ongoing discussion of reorganization of sections. The new transfer eligibility policy will be reviewed with the commissioners.

9.03 **Wrestling Advisory Committee Proposal to Revise** Action Commissioner  
**“21-Match Rule” (CIFSDS Bylaw VII, Section I)**

Dear CIFSDS Board of Managers,

The San Diego Section CIF Wrestling Advisory Committee would like to amend ARTICLE VII – PLAYOFFS, Section I, Page 80 (also see ARTICLE XI – SPECIAL RULINGS FOR ALL SPORTS, Section F, Page 81) as it pertains to the sport of wrestling in the Green Book. The SDSCIF Wrestling Advisory Committee **proposes that the minimum number of matches required should be 10.** Our rationale for this number is that we believe 10 matches is an achievable number for ALL wrestlers in our section when considering league dual meets and individual tournaments.

Wrestling coaches in our section currently refer to this bylaw as the “21-Match Rule.” This title derived from the interpretation that “in individual sports, an athlete must have participated for his/her school enrollment in more than one-half (1/2) of the CIFSDS permissible maximum individual **points** of the sport in order to participate in the CIFSDS championship tournament...” (Article VII, Section 1, page 80). Since a wrestler is “allowed a maximum of 40 **matches** during the wrestling season prior to the first qualifying tournament” (Article 310, 3101, “40-Match Rule,” page 61), it has been interpreted that more than one-half of the maximum individual points is at least 21 matches. However, there is an obvious difference between “points” and “matches.” While this bylaw may be equitable in other individual sports, it is not appropriate for wrestling as it is currently being interpreted. In addition, the San Diego Section is the only section in the state that currently imposes such a bylaw.

Shall the Coordinating Council approve the nomination of Bill Stout for Coordinating Council Chair for 2010-11?
