

## **Girls Lacrosse Advisory Post- Season Meeting May 21, 2019**

The post-season meeting of the girl's lacrosse advisory members took place at the CIFSDS office located at 3636 Camino Del Rio North at 3:00 p.m.

The following were in attendance:

Metro conference – present

North County present

Coastal Conference- present

City Conference- Present

Grossmont Conference- Present

### **Officials Report:**

Officials noted that they sent out an end of the season survey to all coaches and were hoping for a positive number of responses from the coaches.

Reminded coaches that to reschedule games off the matrix is very difficult especially on heavy game days.

A question came up about the fees to reschedule games and it was noted that the assigner does have the right to charge that fee for rescheduling of games based on the HSSOC contract.

**Coaches concerns to officials:** None registered at this meeting other than concerns over the number of officials available and some of the calls made during the season. They also agreed that coaches should be carded on the sideline for their demeanor

**CIFSDS Concerns:**

Reminder that the girls lacrosse season start date was changed as well as the end date that is reflected on the 2019-2020 Master Calendar. Games will end on Friday next year and seeding will be on Saturday.

Discussion took place about the number of contests a team needs to be eligible to participate in the playoffs, which currently is 15. A reminder that if a team does not have 15 games it does not eliminate them from playoff consideration it does however invalidate their ranking and the committee has the right to move them in the rankings or remove them as well.

San Dieguito Academy will again be the site for the lacrosse finals on May 16, 2020. All agree it does not have football markings and is a good place to hold our finals

**ADVISORY GROUP was reminded that all coaches will need to enter their information into lax numbers for next year. We will use lax numbers for our seeding purposes and they will remove the goal differential for our rankings.**

**DATES TO REMEMBER:**

**Practice begins February 15, 2020**

**Frist Scrimmage February 16, 2020**

**First possible contest February 17, 2020**

**Last Possible contest May 1, 2020**

**Seeding May 2, 2020 via Go to Meeting**
