

## **SOFTBALL PRE-SEASON SEASON MINUTES**

**Meeting took place May 21,2019**

**League Reps all were present**

**COACHES CONCERNS AND COMMENTS: None at this time to officials**

### **OFFICIALS ASSOCIATION REPORT:**

- Nothing to speak of from the umpires for this year all seemed to go smoothly throughout the year.
- With mixed crew some of the umpires are not getting paid by the schools that do not use ref pay. They will be contacting those schools shortly seeking payment as they did not fill out pay vouchers in some cases.
  
- **CIF INFORMATION:**
- Finals to stay at UCSD on Friday and Saturday
- The seeding will stay using max preps for next year.
- Game times at Poway this year were 12:00 p.m., 3:00 p.m. and 6:00 p.m. and worked very smoothly. They will remain that way next year.
- Discussion took place about the state or regional playoffs in softball. For 2020-2021 . Limited information available at this time

other than 10 teams from the SD section will advance. How that will be broken down is dependent on the CIF section more information to come out after the commissioners meeting in June.

- Coaches asked if the open division could be played on Wednesday and Friday next year instead of Saturday in that first week. That would alleviate some problems with proms etc. for at least their division. Plus it would free up more umpires for Saturday
- **ALL CIFSDS teams were selected** along with Coach of the year and athlete of the year and pitcher of the year.

.
