

**Men's Golf Pre-season
Advisory Meeting
January 17, 2018**

Meeting of the men's golf advisory took place on January 17, 2018 at the CIFSDS office at 4:00 p.m.

General Information:

Scores need to be reported on the USGA site and the site that Aaron Quesnell built that is available under sports and boys golf on the section web site. **MARCH 15 IS THE FIRST DEADLINE TO MAKE SURE SCORES ARE RECORDED WITHOUT PENALTY OF A \$100.00 FINE AND LOSS OF HOME PLAYOFF CONTEST- APRIL 15 IS ALSO A DUE DATE.**

Coaches expressed concerns about the teams not recording their scores consistently. Those are Del Norte, Bishops and Vincent Memorial. CIFSDS Office will contact their AD's to remind them to get this done in a timely fashion.

Aaron will be contacting coaches with their code etc. shortly but must have the correct contact e-mail for the coach of a specific school. Coaches will need to have a Google account to work with this system. Aaron has also added a contact page (the link is in Cell B6 on the Input tab of your scoring page) for all coaches to post their cell numbers as we approach the playoffs this will become very useful for contact information. **Aaron also added a way for you to record your players that are playing double par plus one - you need to put an * in front of or behind the players score (e.g. *54 or 54*)**

He also added a page with the school codes on them please use the proper 3 digit code when entering in your information. If you have questions or concerns please contact Aaron at aquesnell@sandi.net or via cell at 619-823-7598.

Reminder the USGA will not allow you to post scores before the first day of allowable matches.

CIFSDS Information:

Seeding Meeting is May 3, 2018 at the CIFSDS office at 3:00 p.m.

CIFSDS Playoffs will be on Monday May 14, 2018 and Finals on Wednesday May 16, 2018 this year.

Admiral Baker will only be available for practice rounds one month in advance of the section playoffs and limited to times after 1:00 p.m. No practice rounds may be played on Sunday, May 13 and or Wednesday, May 15.

Reminder: League champs will still gain entry but will not bump a team from the brackets.

If a league champion's differential does not place them into the bracket then they will host a play in match with the final seeded team in the bracket. Once the initial play in match is concluded the winning team will advance to play another match but will not host since the league champ hosted the first match. Please as you review your possible seeding make arrangements for that match to be played on the Monday following seeding.

Coaches were reminded any athlete that is ejected from the match notification needs to be sent to the section office. This would not be for rules infractions but for gross misconduct by the student athlete.

Reminder: if a school has an A and B team that the team can reshuffle their players once on April 15. On this date they must declare their team that will play in the section playoffs

Important Dates:

March 15 first deadline for posting schedules and scores

If needed play in matches May 7 and 8

Scheduled Play in Matches May 9 and 10
