

SOFTBALL POST-SEASON MINUTES

Meeting took place on June 5, 2018

League Reps not present Southern and Metro Conference

COACHES CONCERNS AND COMMENTS:

Wanted to make sure that problems with arbiter and the associations were resolved.

OFFICIALS ASSOCIATION REPORT:

- Reminder about Jewelry. Once the umpires ask if your team is properly equipped; if they find a player with jewelry on the first offense is a warning to the team. The second time it is restriction to the bench for the head coach. Umpires are seeing more chains etc. that should not be worn.
- North County is having some problems with getting paid but it might be an internal problem and one they are hoping to resolve shortly.

CIF INFORMATION:

- Finals to stay at UCSD on Friday and Saturday. Recommendation to outfield stands as we continue to attract larger crowds

- The seeding will move to MaxPreps next year based on a vote of the advisory group. The advisory group asked that we make sure MaxPreps has the correct leagues divisions etc.
- Discussion about changing the start time for games at Poway sports plex for next year so we don't have teams playing until 10:30 p.m. like we did again this year. Game times will be set at 12:00 p.m., 3:00 p.m. and 6:00 p.m. for next year.
- Section office complimented the 2 associations for their ability to work together seamlessly to keep games moving at the sports parks by mixing crews.
- Discussion took place about the possible change in the calendar for the 2019-2020 season with the addition of state or regional playoffs in softball. There currently is not much information readily available once that comes out we will send that out to advisory members and coaches.

The ALL CIFSDS selection followed the advisory meeting.
